

// VOICE-FIRST INCIDENT REPORTING

Call it out. Report it right.

Voice-first hazard reporting for warehouse
& distribution teams — no typing, no paperwork.

Just speak

Describe the hazard out loud, hands-free.

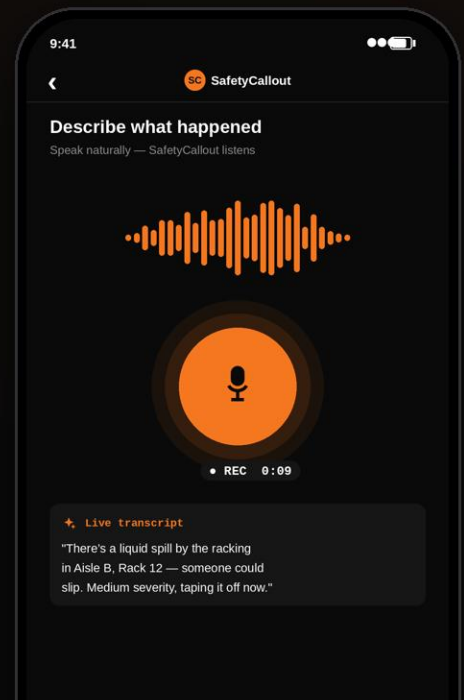

AI does the writing

It drafts a complete, OSHA-ready report.

Team notified instantly

Submit and the safety team knows in seconds.

Scan to watch the 30-second demo

See a supervisor report a hazard,
hands-free, in real time.

OSHA-ready reports in 60 seconds.
